Our Lockdown routine

OASIS and the Peer Mentors came up with a great guideline daily routine

	Activity	Why should we do this?
8:00	Wake up at same time everyday, try not to snooze!	To help with routine
9:00	Showering, keeping on top of personal hygiene	Wakes you up
10:00	Cleaning up: Making your bed, tidying your room a little	It is nice to have a clean fresh bed to come back to
11:00	Sit outside in garden, gardening, play with pets, reading, planting seeds.	Getting some fresh air and nature
12:00	Lunch: Try making something new, or trying new foods what meal can you make with what is in your cupboard. Be creative	It is nice to experiment
13:00	Creative time- Watercolour painting	Easy to use, mindfulness
14:00	Remember to drink water!!!	It keeps us hydrated and gives us energy
15:00	Daily exercise: Bike Ride	Seeing nature , gets out of house
16:00	Dance around your room like no-one's watching	Fun exercise, can cheer you up, also helps get energy out so its easier to sleep
17:00	Watch a film that makes you smile	Relaxing
18:00	Speak to a Friend, phone or video call with someone you care about.	Sense of unity nice to know someone cares about you.
19:00	Playing games online with friends. IO games online or apps on phone	It is fun, you can be competitive with people, gives you a leader board.
20:0	Shower or bath before bed	Starts the wind down for bed routine
21:00	Reading	Digital detox before bed
22:00	journal about your day, how you are feeling and whats on your mind	Can help calm anxious thought and allow you to sleep better
23:00	Sleeeeeeeeeeeeeeeep!	So we are refreshed for the next day
